To participate, all companies begin by filling out and submitting a registration form and faxing it to 717-412-7307.

Registration Deadline: October 25, 2019

Once the registration information is received by Best Companies Group, companies will receive a confirmation email (which will include additional instructions) and an invoice. There is a nominal participation fee to cover the costs associated with the evaluation process. The participation fee is based upon the size of the company and the survey preference.

Participation fees:

(1) Fees are non-refundable.
(2) To ensure the credibility of the information, companies with 15-24 employees must have an 80% (or better) response rate to be considered for the list.
(3) Employees are randomly selected. Best Companies Group offers the option to survey more employees than the random sample calculated in the above chart, and/or include additional employees in the survey process who work in locations outside of the program area.

*Upon completion of the assessment process, all participating companies will receive the Best Companies Group Employee Feedback Report which details the results of their specific survey. Similar reports can cost thousands of dollars if initiated independently.

Commitment: I understand that by submitting this form, our company is entered into the "Best Places to Work in Kentucky" program. I am committing to meet all deadlines, complete both portions of the assessment process and pay the registration fee. If at any point we choose to withdraw from the process, we will notify a representative of Best Companies Group at 1-877-455-2159 immediately. Companies withdrawing after October 25, 2019 will incur a \$250 withdrawal fee in addition to the total fees incurred for any special requests (customization orders, language translations, paper survey processing, etc.) and the registration fee.

Please be aware that as part of the "Best" program, a certain threshold of employee survey responses must be received in order for the analysts to consider the survey data valid. If a company does not meet this threshold, their full consideration for the "Best" list may be jeopardized, even resulting in elimination. In the rare case a company's response rate is extremely low, a statistically valid Employee Feedback Report will not be presented.
