## **2015 Best Places to Work in Kentucky Rankings Announced**

### **River Road Asset Management, Your Community Bank and Edward Jones take top honors**

Frankfort, Ky. (April 14, 2015) – Edward Jones, Your Community Bank and River Road Asset Management were ranked the 2015 Best Places to Work in Kentucky by the Kentucky Chamber of Commerce and the Kentucky Society for Human Resource Management (KYSHRM).

During the Eleventh Annual Best Places to Work in Kentucky awards ceremony, presented by Kentucky Career Center and USIDES State Information Data Exchange System, over 1200 attendees joined in celebrating the 90 Kentucky companies who were recognized for their commitment to focus, measure and move their workplace environments toward excellence.

Winners were selected from three categories – small companies of 15-149 employees, medium companies of 150-499 employees and large companies consisting of more than 500 employees (categories based on number of U.S. employees, only Kentucky employees surveyed). The selection process is based on an assessment of the company's employee policies and procedures and the results of an internal employee survey, administered by Best Companies Group.

River Road Asset Management, the number one small company, is located in Louisville and is an institutional investment management firm founded in April 2005 that manages more than \$8 billion in assets. This is the fifth year River Road has been named to the Best Places to Work in Kentucky list and a second-time winner in the small company category.

Your Community Bank, the top winner in the medium company category, is a banking organization that provides loans, deposit accounts, treasury management, and other financial products to both businesses and consumers. This is the third year that Your Community Bank has made the list.

Edward Jones, the winner of the large company category, is a full-service brokerage firm and private partnership that serves individual investors. The community-based investment firm prides itself on the commitment to tailored strategies and building relationships between financial advisors and their clients. Edward Jones has made the list for 10 years.

The Kentucky Society for Human Resource Management (KYSHRM) state council and the Kentucky Chamber of Commerce are proud to host the Best Places initiative, as both organizations support the value of workplace excellence as a key component in moving Kentucky forward.

"Human resource professionals lead their organizations through effective strategic planning and creativity that impacts company's bottom lines. The Best Places to Work in Kentucky initiative highlights these professionals and workplace standards across the Commonwealth," said KYSHRM Chair, Susan Simmons, SPHR.

According to Kentucky Chamber President and CEO, Dave Adkisson, "in order to make Kentucky's economy thrive, we must be able not only to educate and employ Kentuckians here, but we also must entice those from out-of-state to work here. The Best Places program does just that."
